

Saint Paul Harbor Critical Improvements

Open House Meetings

Friday, October 2 from 4:00 to 7:00 pm
and

Saturday, October 3 from 4:00 to 7:00 pm

Friday: Provide input on desired improvements for the harbor and waterfront

Saturday: Review the draft harbor and waterfront master plans

At the Rec Hall

The Saint Paul Harbor Critical Improvements Project will modernize and stabilize the island's maritime infrastructure to safely handle increasing vessel activity and withstand severe storm and tidal impacts.

Contact: City Manager Phillip Zavadil 907-341-3994

This project is funded by the US Department of Transportation's Better Utilizing Investments to Leverage Development Grant Program and the Port Infrastructure Development Program, and a grant from the Denali Commission.
